## WESTERLY ANTI-RACISM COALITION NEWSLETTER FOR 7.24.2022

---

### LAST SUNDAY'S PROTEST

In spite of the hot summer sun, many dedicated ARC members attended the July 17th protest. Frank Pendola, our community troubadour, entertained us with folk songs, including one of his favorites, the beautiful "A Life Uncommon" by Jewel. Leslie Dunn encouraged the audience to get to know the local candidates for public office and urged people to stay informed about town issues. She asked Westerly residents to attend the 07/19 Planning Board meeting. On the agenda: the proposed development of the St. Pius property at Elm and School Streets. There is a proposal on the table to divide the property into three lots. Two lots would be for a single family home and one for a multi-family home. The plan for the third lot is contentious involving reuse of the school building and a proposed new building - a multi-family apartment building, including low and middle income units. The link below shows the current application. Plans and renderings start on page 70.

MEETING FOLLOW UP: At the Planning Board meeting, the Elm Street Community Group presented their strong concerns about the project. Their primary issue is to maintain the unique and historic character of Elm St. They believe the Developer used faulty analysis in support of the plan. It was agreed that the Community Group and Developer would meet to work on concerns. Westerly has a severe shortage of low-income housing; Westerly ARC fully supports creating as many units as possible. Westerly ARC members Madeline Labriola, Tim Flanagan and Leslie Dunn spoke about the need for more low-income housing units. Ultimately, the Planning Board approved the preliminary plans for the project. As the project moves forward there will be more public hearings. We will keep you informed.

### THIS SUNDAY'S PROTEST

Please join us this Sunday, July 24, for our weekly peaceful protest for equality and justice for our Black, Brown and Indigenous communities. While ARC originally formed to stand strong for anti-racism, racism casts a shadow over all other human rights and freedoms - women's and LGBTQ+ rights, environmental devastation, even war - all prevent people from realizing their freedom and our country from making progress. Join us and bring signs and banners expressing your concerns. *Please be mindful that our rallies are family friendly and so we ask that your signs and posters be respectful to each other and to the children in attendance.*

### LOCAL ELECTIONS - YOU CAN MAKE A DIFFERENCE

Please make sure you are registered to vote. If you can, volunteer your time or donate money to candidates who

share your goals and values. Join the League of Women Voters of South County to get informed and take an active part in government. See <https://www.lwv.org/local-leagues/lwv-south-county>. Democracy doesn't just happen: it is the direct result of citizen participation. Let your voice be heard, join us on the Westerly Post Office steps every Sunday, rain or shine, from 11:00am-1:00pm. We encourage you to speak at one of our gatherings. The crowd is welcoming and we appreciate all our presenters. Read a poem, share a story, perform a dance or sing a song. The floor is yours!

Some topics planned for our noon presentation include banning books, incarceration, voting and voter information, candidates forum, policing, and a Hiroshima/Nagasaki remembrance on Aug 7. If you or someone you know can speak to any of these issues, please contact us at the Sunday rally or by email at [westerlyarc@gmail.com](mailto:westerlyarc@gmail.com). We would love to hear from you.
